

# THE WIZARD AND THE MERMAID

Two friends on an adventure

Written and illustrated by Form 4 A students

Edited by Miss Alvarez

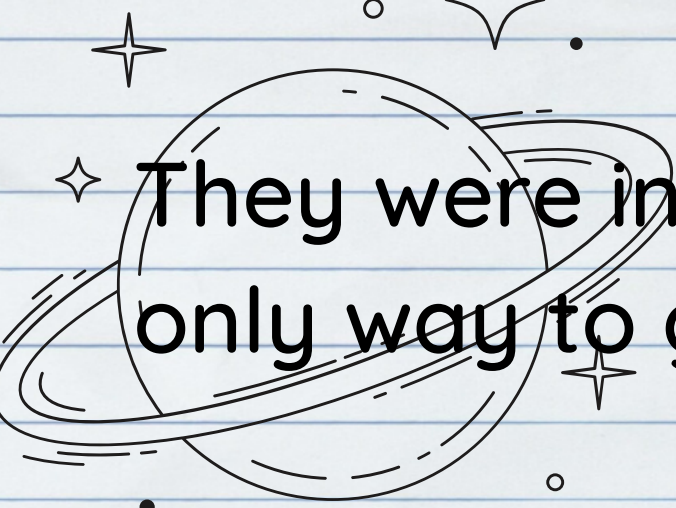

In a far far away galaxy, a mermaid and a wizard are friends.

She wears big colourful eyeglass frames  
and he wears summer shorts and a  
thousand scarves.

They were invited to a wedding. But the only way to get there is by train.

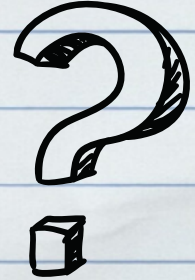

**iii YOU ARE INVITED TO MY WEDDING!!!**

**at 12:00 pm  
thank you!**

The wizard made a spell to give her legs,  
but he made her the size of a pea  
instead.

They were confused. So, he put her in a plastic bag with some water in it.

Once they were on the train, the spell broke and the mermaid returned to her original height.

They creamed and shout. It was  
madness!

An elf stared at them and said in a funny voice - follow me.

The wizard dragged the mermaid all along the train till they got to a door with some balloons stuck on them.

The elf turned around, made a spell and in a blink the mermaid had legs and a beautiful dress.

Welcome to the wedding - the elf said -  
please hhhhh!

The end!
