

Dragon Potion

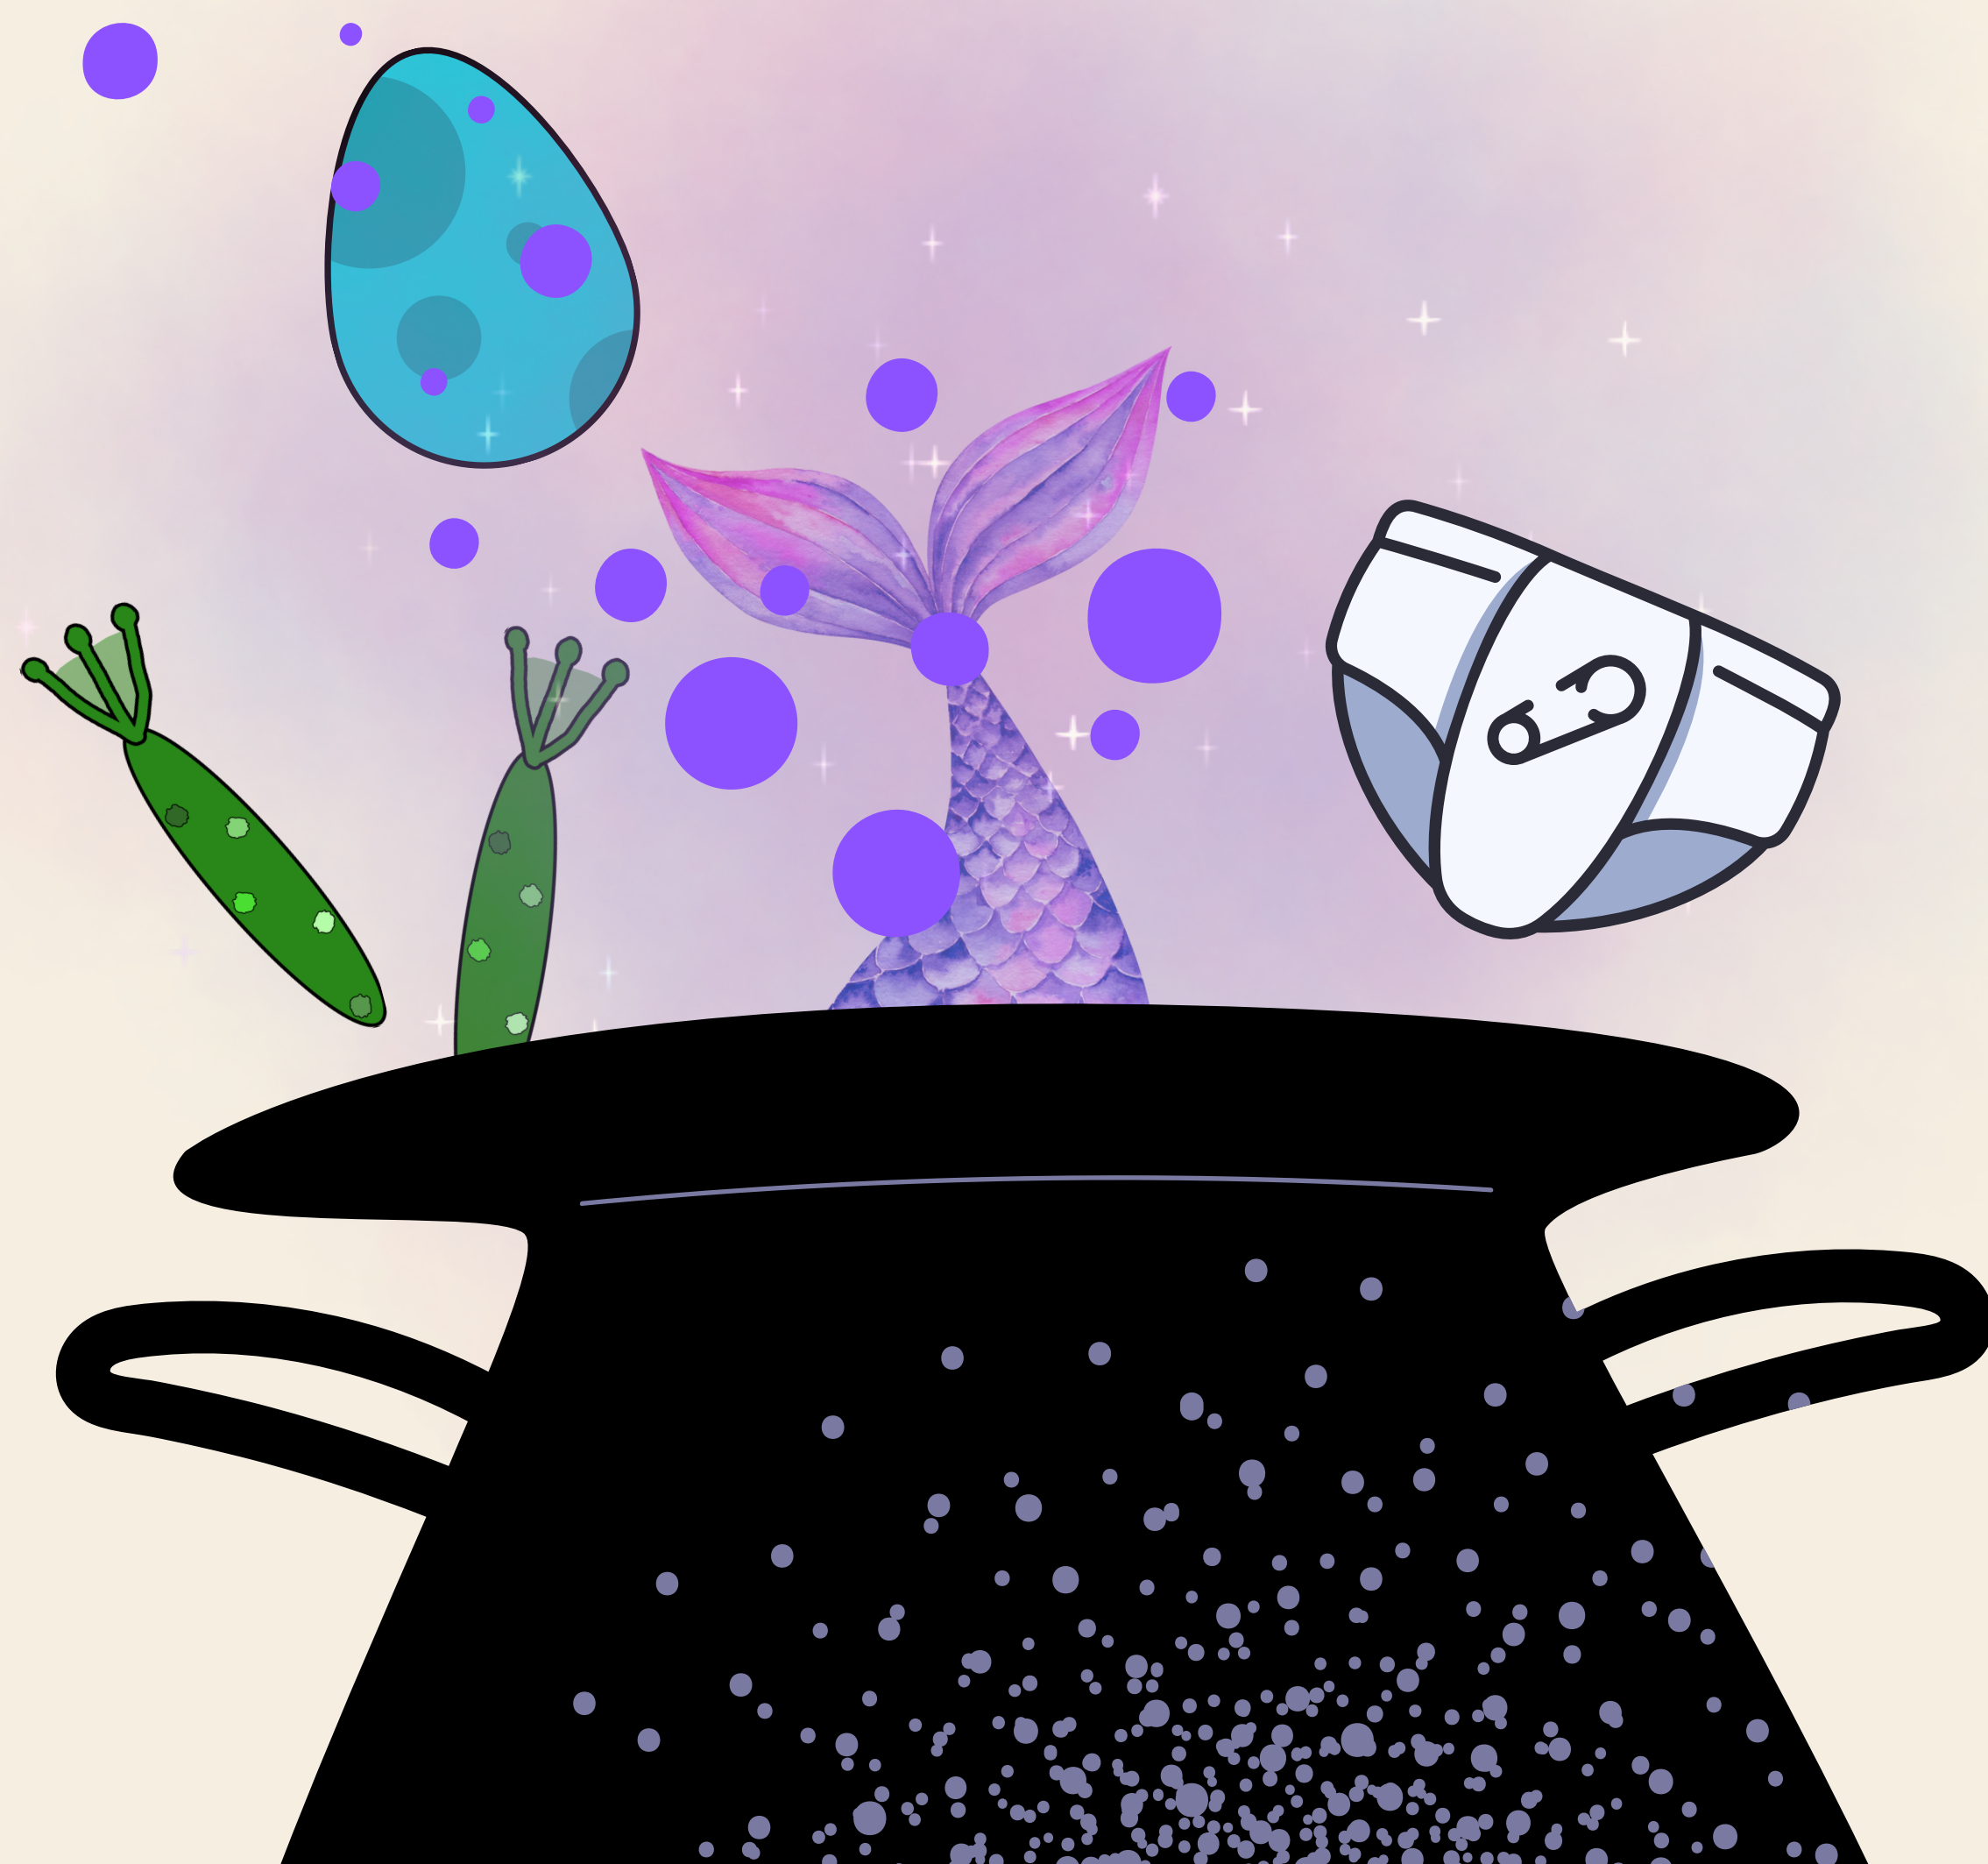

A STORY CREATED BY KINDER 5 B

A long time ago, a scary witch was
preparing a potion.

She added frog legs, bat wings, a mermaid tale, a diaper and a dragon egg.

The potion blew up! Suddenly, a big angry dragon came from it.

It was huge! It had bat wings, a mermaid
tail, and diapers! And it was very, very

angry!

The witch was so so scared that she gave him
a piece of delicious chocolate to make happy
instead.

When the dragon tasted this delicious chocolate, a smile drew upon his face.

Now, they are best friends.

Since then, they travel around the world
looking for treasures and chocolate.

The end!
